

PROJECT: Bank, Barnsley

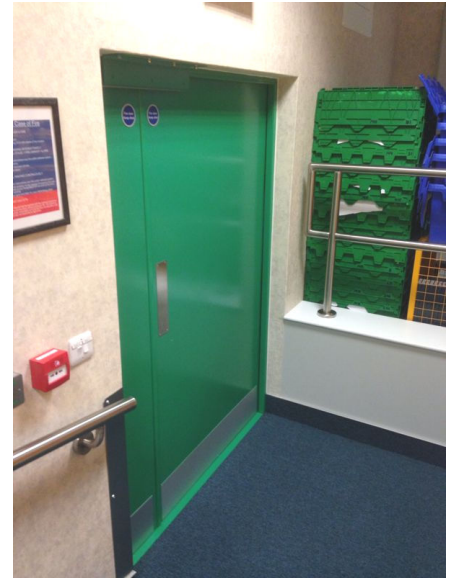

PRODUCT: 2No. Fire Resistance Steel Doors, 1370mm(W) x 2195mm(H), PPC 2No. Colours

The project brief was to provide high security hinged doors with 2 hour fire resistance. The door must have a different colour to each side due to colour coded areas.

A&C Maintenance Ltd supplied & installed 2No. Double leaf steel 2 hour fire resistant doors with anti-jemmy astragal & frame studs. Hardware consisted of lock & lever handles, slimline door closer, leaf selector, flush bolts, floor bolt and floor mounted stops.

Colour finish was BS14 E53 (Green) to leaf & frame one side BS24 C39 (Purple) to the opposite side of frame & leaf.
